

HENRY KISSINGER

February 3, 1981

Dear Professor Halbrecht:

Dr. Kissinger has departed for a month of working vacation, but before he left he asked me to let you know that he would be delighted to join the Honorary Presidency of the World Conference on the Jewish Family Heritage. He will be unable to be in Israel in August, however, but wishes the conference all success. I know he will be interested in hearing about the proceedings.

Sincerely,

  
M. Christina Best
